Northwest Maryland CBMC Retreat at Skycroft Conference Center

**September 21-23, 2018**

**FANTASTIC OPPORTUNITY TO HEAR 3 OUTSTANDING CHRISTIAN  
LEADERS AT ONE EVENT**

CBMC is a group of like- minded Christian men who are bonded together with a common goal to reach the lost for Jesus and to equip those to reach others with the good news of the gospel of Jesus Christ.

Because our speakers are outstanding and *to accommodate the ladies* who would like to attend, we would like for you to consider coming to any of the sessions. Overnight accommodations could be arranged elsewhere at the conference center or if you are local just come anytime.

We have three outstanding Christian leaders to guide us throughout the weekend. *The theme of the weekend will be based on the latest DVD produced by the Billy Graham Evangelistic Assoc. last year entitled "Flying Blind"*. How many times have we said to ourselves, "How in the world did I get into this situation or that situation". Well there is a reason why that happens and hopefully we all can come away with some answers.

**Frank Shelton**

Frank serves as MD State Coordinator with Billy Graham Evangelistic Association. Prior to becoming an evangelist he was on Capitol Hill for many years following in his family's heritage of serving in government. He will be sharing some of his many stories during his time there and how God has worked in his life since. Frank speaks at over 200 events yearly and is in front of close to a million people a year, 120,000 at his last crusade in South Africa.

He grabs your attention with everyday stories and brings out spiritual principles to reveal truths in unique ways. Visit [www.frankshelton.com](http://www.frankshelton.com)

**David Balinski**

David serves as East Coast Regional Director for CBMC. Professionally he is a Certified Facility Manager (CFM) since 1993. He was trained as an architect. David leads seminars and workshops for CBMC throughout the east coast. He has the unique ability to link the business side he knows so well and the spiritual side. David will give us some insights of how this can be accomplished through evangelism and discipleship.

**William (Bill) Geiger**

Bill is the Director of Personal Spiritual Development for Sustained Spiritual Growth. He has been teaching personal spiritual growth since 1999. He and his wife, Renee, live in Lovettsville Virginia

Our schedule will be as follows:

Friday night. Dinner at 5:30 and afterwards **Frank Shelton** will have a few stories to share about his dad, Frank Sr. who served in the U.S. Capitol police for 26 years. The capitol and the White House were Frank Jr's old stomping grounds for over two decades which provided him a unique access to the powerful in Washington.

Saturday morning. **Bill Geiger** will share his personal journey of how he attained the essential spiritual skills that produce sustained spiritual growth. He has been involved in his own ministry training others to do the same for the last 20 years

Saturday afternoon: **Frank Shelton** will lead us in discovering how "Flying Blind" through life can get you in trouble and **David Balinski** will continue with that same theme and teach us how we can apply evangelism and discipleship where we live and work.

Saturday night: Free time

Sunday morning: **Ted Knach**, our own local CBMCer and 30 year retired Chaplain in the military has been on a two week trip in the Mediterranean tracing the steps of Paul in his second missionary journey. He will be sharing what he has learned and how being there has impacted him and his new found vigor to share the gospel.
