1. In order to control background noise so the speakers and prayer leaders can be clearly heard, all attendees will be on mute.
2. A meeting host will watch as attendees log in and will grant permission for each to join the chat that will accompany the meeting. So please be patient as the host may need to address multiple requests at any one time. Thanks!

Event details are on the next page.

Please share this with others, invite them to join us and I hope to see you then!
