CBMC Leadership Coach Training (LCT) is a unique mix of content, interaction, and practice which results in genuine learning and transformational leadership. It engages with a man, then utilizes a proven process to help him influence and empower those in his sphere of influence. Finally, we mentor that person as he journeys toward maturity in Christ.

Presented by

CBMC EAST REGION

Saturday, Sept. 14, 2024
8:00-9:15 AM | Zoom

<https://CoachTrainingDiscovery.eventbrite.com>

Please join us by Zoom on Saturday, September 14, 2024. **New to the idea of coaching?** You'll learn what CBMC Leadership Coaching Training is and how it helps us in a personal, ministry and business context to develop and encourage those around us. **Taken LCT already?** Learn how you can help others in their coaching journey to develop this transformative skill, based on the model of Christ, that provides:

- Deeper personal interactions
- Fresh perspectives of others
- Improved listening skills
- More impactful conversation techniques

Why not take the first step towards deep influence today? Register today at:
