Benito Vattelana served in the United States Air Force from 1979 to 1989. He then served the US Government as a private contractor supporting Research and Development activities.

In 1998 Mr. Vattelana transitioned to commercial business where he became Vice President Business Development of a private wireless startup in Northern Virginia developing partnership agreements with international wireless companies. He also worked for companies providing sales strategy and consultant services for clients within the international Telecommunications and Information Technology and Services sectors.

Benito Vattelana is currently a Limited Partner with Edward Jones Investments serving as a financial advisor since 2007. He serves as a key leader in the firm for Client Service and has consistently been awarded the firms client service award since 2011.

Mr. Vattelana believes in active volunteering for his community and has served the Washington County Community through local board membership to include the Barbara Ingram School of the Arts, Greater Hagerstown Committee, Meritus Healthcare Foundation, Past President of the Board of the Maryland Theatre and serving from 2011 – Present, and Hospice of Washington County. Benito Vattelana is a graduate of both Leadership Washington County (class of 2011) and Leadership Maryland (class of 2015).

Benito is married to Deborah his wife of 35 years who works at Carson Jewelers. He has three children ages 33, 28, 26 and four grandchildren.
