

The Family, The Company, The Mission

How do you live a life of Generosity? See how the Kelly family coaches their community on the field, in the family, and in business

CBMC Baltimore Metro North

Presents

Premiere of KELLY Documentary with sports broadcaster **Phil Stone** as *Emcee* and **Frank Kelly III**

Christian Business Men's Connection

KELLY, formerly known as Kelly & Associates, Inc. has been recognized as the largest employee benefits administrator in Maryland. KELLY is an organization committed to the pursuit of excellence in an effort to bring honor and glory to God by: Providing our customers with quality products, benefits, and services... always putting "The Customer First"; Dealing honestly and professionally with our carriers and suppliers... representing them with integrity and excellence; Valuing our employees by treating them with dignity and respect... recognizing that it is the "People of KELLY" who make the unique difference, and thereby earning a reasonable return on the corporation's investment.

KELLY was started by the Kelly family and partners in 1976. The business grew with the family. Frank Kelly III says "My parents had a strong faith when they started the business and clearly our family felt God had blessed us with the business." Frank obtained his insurance license in 1984 while still in college and worked at the company in telephone sales during the summer months. Two years later, he became an account executive for small businesses in trade associations. In 1988, Frank was named Sales Manager and then in 1989, Vice President of Sales for the company. When he was promoted to Executive Vice President in 1991, he assumed responsibility for overall marketing and all operations of the company. In 1994, Frank was named President of KELLY and in 2007, he was named CEO.

Frank's parents and brothers continue to serve in the business to this day. And they are all active in the serving the community through sports and faith missions. Come see the local premiere of the KELLY story and the following engaging discussion with Phil Stone and Frank Kelly. There will be time for Q&A at the end of the program.

Come and bring a friend!
