Wally Armstrong

President of Gator Golf Enterprises, Inc

Christian Business Men's Connection

Wally Armstrong competed in more than 300 PGA Tour events, including numerous US & British Opens, Masters, PGA and Tournament Player's Championships. In his first Master's tournament, Wally finished fifth, setting a rookie scoring record of eight under par at Augusta. He is a Lifetime Member of the PGA Tour and holds a Bachelor's and Master's Degree in Education from the University of Florida, where he also achieved All-American Honors in Golf. Uniquely qualified in understanding how people learn, as a Master Educator & Innovator Wally's methods and the results they bring have made him one of the foremost & most recognized golf instructors of all time.

Playing the PGA Tour with Nicklaus, Palmer, Player, Trevino, Watson, Miller, etc., only confirmed the truth that Wally has continued to preach all these years—that the swing is not mechanical. All the great players simply swing in a circle by feel, where maximum power and accuracy are generated through the enhancement/application of centrifugal force. Wally and former tour player, Terry Anton, released a revolutionary new entry level golf game called (SNAG) which has become the national school golf program for the United States, Scotland and Japan.

Wally was on the cover of Golf Magazine in May 1993 and Golf Week. He is also the co-author of five books: *In His Grip*, *Playing the Game*, *Finishing the Course*, *Heart of a Golfer*, *The First Tee Shot*, and *THE MULLIGAN* combining for sales of over 400,000 copies. Wally's latest book is *Practicing the Presence of Jesus*.

Wally and his wife Debbie live in central Florida where they raised three children.
