Discipleship/Operation Timothy Training offered in Pasadena
Saturday December 3 and 10, 2016 from 8:30 AM to 12:00 Noon at:
Emmanuel Lutheran Church, 8615 Fort Smallwood Rd, Pasadena, MD 21122

Have you been called to mentor another man? Do you know how? Does your wife want to disciple another woman, but does not know how, or lacks the confidence to get started? Please consider the Operation Timothy Workshop.

If you have considered helping to bring someone to Christ, or helping a new Christian grow through personal discipleship, please attend this workshop. It will be held on two Saturday mornings, from 8:30 AM to Noon at Emmanuel Lutheran Church in Pasadena, MD. You can attend the workshop then decide if you want to participate further.

There is no charge for the training, only for the materials used. Workbooks will be available for purchase at a cost of \$10.00 each, all checks payable to CBMC. Leaders Guides are also available at \$12 each, or are available as a free download. If you use the online version eOT there is no cost for additional materials. If you prefer hard copy, Operation Timothy Books will be available for \$10.00 each. There are 3 books in the series of Life Questions, Life Foundations and Life Perspectives. There is no obligation to purchase these books.

This training will prepare you to disciple another person one-on-one, or to be an Operation Timothy leader at your church, small group, CBMC or other ministry team, and is also designed as a "Train the Trainer". Don't be intimidated if all you would like to do is disciple another person, but for those desiring more, you will be provided with the tools to train your teams, or your church leaders or members. This is open to anyone who is a believer, men and women who would like to carry out the Great Commission.

For details on OT go to: www.operationtimothy.com for eOT: <http://advance.cbmc.com>

Several churches have been using Operation Timothy material for teams of men and women who are actively engaged in one-on-one discipleship relationships inside and outside of the church. There has been some exciting spiritual growth, and even some new Christians emerge through this process!

Please consider attending this workshop and/or recommending it to someone who is open to learning how to establish a discipleship relationship.

RESERVATIONS REQUESTED: If you would like to attend, please send me an email so that we will have the materials available.

Serving Him with you,

Chuck
